Foreword

Miss Pheonix!
I have enjoyed very much in having you for an English teacher this year. I am in great hopes to see you again next year. Heres hoping that your future years will be successful ones.

As we, the seniors of 1953, pause for a moment in our footsteps to look back, we know we are leaving behind us four wonderful years that have been marred only by the falling footsteps of two of our class members, Dean Wilson and Ray Noland, to whom we leave this annual as a memoriam.

And now as we turn our eyes toward the future to make new footsteps on the pathway of life, we dedicate our annual to the younger footfalls of Waynesville High students who will follow us, and in these pages we recall the four most beautiful years of our lives.

I have certainly enjoyed being in your class this year and hope to see you next year. We have had our up's and downs together but I have enjoyed every minute of it. You are a very sweet person and have a good personality. I won't ever forget you letting me ~~coming~~ come back to your class after you made me set out. I think I have learned more since I came back in here than I did the whole first part of the year. Don't ever forget that you had the "Great John C. Calhoun" in your class.

EACH STUDENT in Junior High has a certain amount of preparation to do before he is capable of assuming the responsibilities of Senior High. We feel that the best in all of us is brought out by such teachers as: Mrs. Sarah Murray, Miss Nancy Killian, Mrs. Ova P. Ferguson and Mrs. Sam Queen Jr.

THE FACULTY of Waynesville High proves there is wisdom without age. Rating high in popularity with the students of our school are: Mr. Carl Ratcliff, Miss Frances Finger, and Mr. Clyde Evans.

CLASS MASCOTS are Neil Ann Webb and Gary Brooks.

The unique combination shown here is very typical of teacher-student relations at Waynesville High. Without the whole-hearted co-operation we received from the faculty, production of this yearbook would have been impossible.

Miss Phoenix - you will never know how much I have valued your friendship and how very much I have appreciated the help and the understanding you have shown me - You are a wonderful person whom I shall always remember as a personal friend and teacher.

Love,
Patricia

SENIOR SCENES. .

SENIOR OFFICERS . . .

Guiding the senior class through their happiest school year were Aaron Gibson, President; Nancy Bischoff, Vice-President; Patsy Blalock, Secretary; and Hugh Frazier, Treasurer.

Always in the spotlight are Ann Coman Crawford and Wayne Rowland, who got everyone's vote for most popular seniors.

It isn't hard to tell why Wilburn Davis and Norma Jean Winchester were chosen as being the sweetest and having the best personalities.

Looking rather serious are the typical seniors, Nancy Bischoff and Ted Owen.

Senior

Playing "Peek-A-Boo" are the cutest, Mary Ann Byrd and Raymond Inman.

Raymond

Having a lively telephone conversation are the friendliest seniors, Sally Stovall and Aaron Gibson.

Miss Pharis,
you have been so sweet and nice to me always and you will never know how much I appreciate it. I'm really going to miss you next year! Wishing you the best of everything always.
Love,
Sally

Stars

It isn't hard to tell why this couple, Sylvia Camlin and Don Calhoun, were chosen as the prettiest and best looking.

Voted "Best all 'Round", Nancy Bischoff seems to have no trouble persuading Manuel Hooper to wash the dishes.

Selecting the right coat are Kenneth Underwood and Bobbie Sparks, who were chosen best dressed.

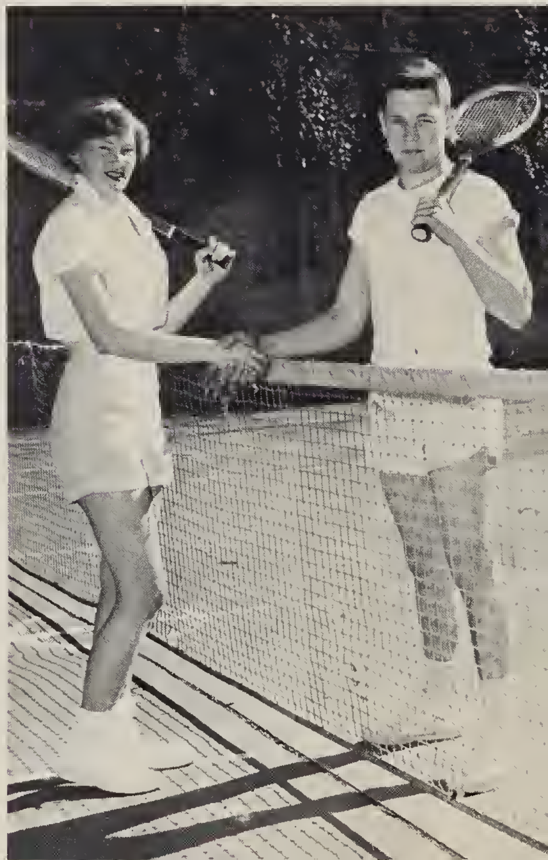
Faye Conard and Charles Alley convince us that they are the most talented seniors.

Trying hard to do something different are Pat Brendle, Carolyne Moles, and Hugh Frazier who share honors as being the most original seniors.

As usual, always willing to try something new are Malcolm Clark and Helen Knight voted most fun.

Senior

Smiling triumphantly after a game of tennis are our most athletic, Sarah Davis and Bobby Kuykendall.



Trying out a new dance step are the best dancers, Stanford Massie and Linda Sloan.

Stars

Flashing smiles for the W. T. H. S. team, Ann Coman Crawford and Charles Alley are demonstrating their school spirit.

Achieving higher awards, Grace Blanton and George Hunt are most likely to suceed.

Myrna Finger and James Parton, the most sincere seniors, are always ready to lend a hand in all school activities.

Activities

"Till I Waltz again with you..."

The school year of 1952-53 marked the initiation of a new and relatively different idea. Co-Editors. This plan was a decided success as the 1953 MOUNTAINEER *bears* witness to the efficient and patient work of Patricia Brendle and Kenneth Underwood.

As Business Manager, Jeff Reece Jr. proved himself a true asset to the class of '53 in the production of this yearbook. Dale Ratcliff rendered valuable assistance in carrying out ideas and plans.

STUDENT COUNCIL

The Student Council records date back to 1940. However, there have been records of successful student councils as far back as 1932.

The goal of this organization is to have more co-operation and a better understanding between the faculty and students.

Their work includes giving food baskets to needy families at Thanksgiving, sponsoring the May Dance, and working on the polio drive each year.

All of these projects have proved successful and interesting to the members, who enjoy participating in them and who are striving for a better student government.

FACULTY ADVISOR: Mr. Carl Ratcliffe

The Waynesville 4-H Club was first organized in 1940 with Mr. Carl Ratcliff as its sponsor. It is made up of students who are interested in improving farm and home life. Individual records are kept of the projects that each member selects. State contests are held each year in which these projects are entered, and Haywood County has ranked high with state winners.

W. T. H. S. began the first of a series of exchange programs which brings 4-H boys and girls from other states to visit with Haywood County members for a week during one summer. A return visit is made the following summer. The exchanges have thus far taken the members to Iowa and Texas. The 1953 trip is scheduled for July and will take the selected club members to Massachusetts.

4-H advisor Carl Ratcliff is shown with Keith Leatherwood, treasurer; Norma Jean Winchester, secretary; Bobby Jo McClure, president; and Hugh Frazer, vice-president.

DRAMATICS IS OUR JOB

The Tally-Ho Club was organized in the fall of 1949. The purpose is to provide a chance for the members to perform in public and to provide some social activity. The club through the years has sponsored several projects, including a radio forum broadcast once a week on a current question, a fifteen minute radio program every Saturday morning for thirteen weeks of Louisa Mae Alcott's book, *Little Women*. They have sponsored Christmas dances and presented several plays. The theme for the current year is to obtain a better understanding of the world in which we live. Local points of interest have been visited, including the museum at Cherokee Village, and the Biltmore Estate in Asheville.

Agriculture was first taught as a subject at Waynesville High School in 1928, and has been offered to rural boys who are interested and expect to become farmers. It was in 1936 that the Charter for the Smoky Mountain Chapter of Future Farmers of America was organized. This charter came under the Smith Hughes Act set up under the United States Department of Agriculture. Our chapter is still known as the Smoky Mountain National Park Chapter of Future Farmers of America.

J. H. Nesbit has been teaching agriculture at the Waynesville High School for the past six years.

Our present enrollment is seventy-four.

Our motto is: Learning to do, Doing to learn, Earning to live, Living to serve.

SUB DEB CLUB

Promoting more social activity is the main purpose of the Sub-Deb Club, which was organized while these senior girls were members of the freshman class. They have been active in giving dances, plays, and in sponsoring several projects. Jointly with the Student Council, the club has sponsored the May dance for the past two years.

KEY CLUB

The Key Club of Waynesville High was organized in November, 1952, by the local Kiwanis Club, which also serves as sponsor of the group. Boys from the senior, junior, and sophomore classes with a B or above average and good character are chosen each school year to be members. The club's aim is to build and to serve—in general it tries to make the school, community, and world a better place in which to live. The club thus far has sponsored the Junior-Senior Prom, a concert by the famed violinist, Rubinoff, a number of movies, and many other student activities.

MONOGRAM CLUB

The Monogram Club was organized in 1952, with the purpose of promoting interest in athletics at W. T. H. S. and to see that awards are given to all deserving members in football, basketball, baseball and tract. Any girl or boy earning one letter in either sport is eligible for membership.

Current officers are: Manuel Hooper, President; Wilburn Davis, Vice-President; Geraldine Keenum, Secretary; Hugh Frazier, Treasurer; Jimmy Davis, Business Manager.

Money for the club is raised in various ways and is used to purchase lettered sweaters for seniors who have lettered two or more years.

LIBRARY ASSISTANTS

The Library Assistant's Club is made up of students who are taking or have taken library science. The duties of those students enrolled in library science are processing, repair and shelving of books, and the preparation and mounting of the bulletin board. Each year some members may attend the North Carolina Library Assistants' Association meeting in Raleigh, and each autumn members go to meetings of the Western District Library Assistants' Club which are held in Asheville. The club has a current membership of nine.

CONCERT BAND

The Waynesville High School Concert Band, under the direction of Charles Isley and Robert Campbell, has earned an enviable reputation throughout the state by being rated as one of the top three bands in North Carolina.

For the past three years the band has received a rating of "Superior" in the State Music Contest. These ratings were all made in Grade VI, which is the most difficult grade of music. Soloists and small ensemble groups have made an excellent record in the State Ensemble Contests.

Each year they have participated in the All-State Band, and this year we had seven representatives who attended this event.

ORCHESTRA

[illegible] newest addition to the Waynesville High School Music Department is our forty-five piece orchestra. Waynesville is the only high school in Western North Carolina that has an orchestra, and the only one in North Carolina that owns a harp. In its first year of organization, three of its woodwind players were selected to attend the All-State Orchestra. We are looking forward to some great things from it in the future.

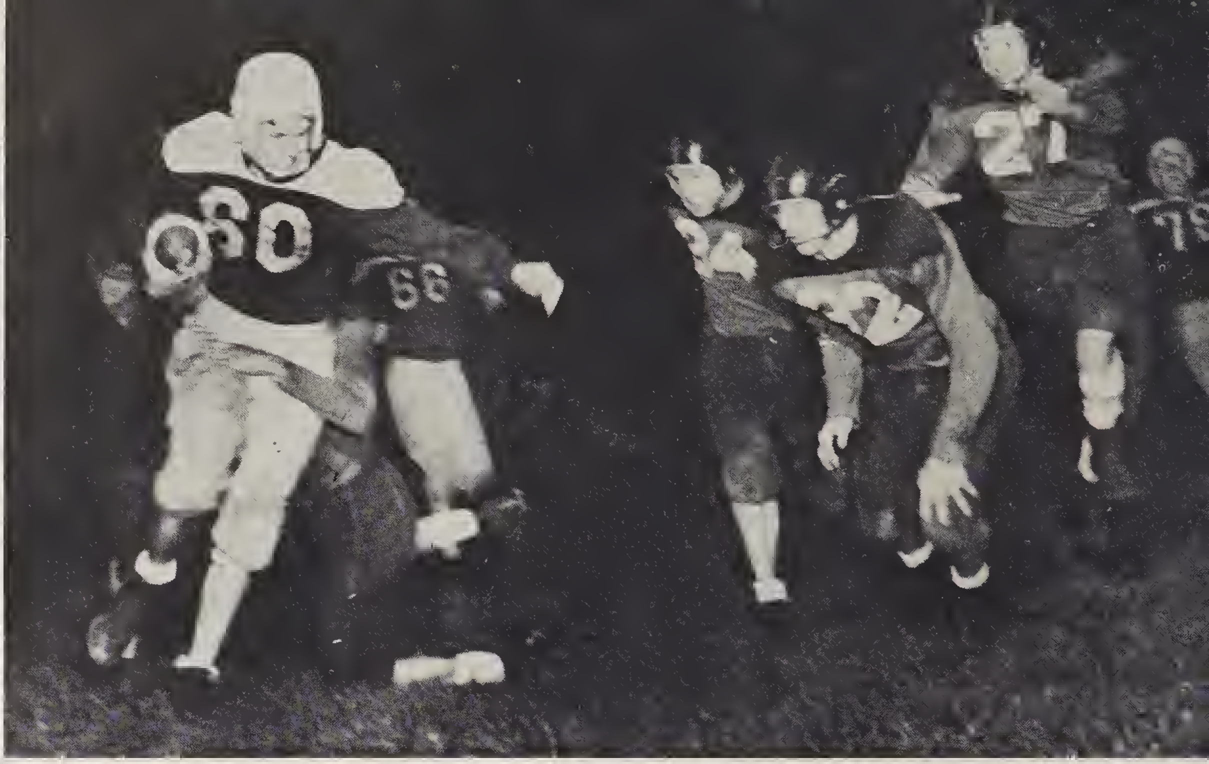
Shrine Bowler



The Mountaineers of '52 were blessed with an abundance of the gridiron "stick-to-it-ivity" that has ear-marked Waynesville teams of all time. Their sportsmanship, on and off the field, has made them respected by their friends and opponents.

TED OWEN, a three year letterman, became the second Mountaineer in Waynesville's history to represent the school in Charlotte's annual Shrine Bowl. Ted, an end, has played two consecutive years on the All-Western N. C. Scholastic and Blue Ridge Conference football teams.

Going for yardage is Waynesville's Billy Farmer. A key block thrown by the unidentified Mountaineer paved the way for a score against Sylva's Golden Hurricanes.
